

## NAHT Life Members – Customising your Twitter profile

You can customise your profile by selecting unique profile and header images, adding a name, bio, location, birthday, website and theme colour, and by pinning a Tweet that other users will see when they visit your profile.

### How to customise your profile

1. Sign in to [twitter.com](https://twitter.com) or open your Twitter app (iOS or Android).
2. Go to your **profile**.
3. Click or tap the **Edit profile** button and you'll be able to edit your:
  - Header photo (recommended dimensions are 1500x500 pixels)
  - Profile photo (recommended dimensions are 400x400 pixels)
  - Name
  - Bio (maximum 160 characters)
  - Location
  - Website
  - Theme colour (only editable on [twitter.com](https://twitter.com))
  - Birthday
4. Click or tap into any of these areas and make your changes.
5. When changing a profile or header photo, click or tap the camera icon and select **Upload photo** or **Remove**.
6. You can choose to **Show my Vine profile** on your Twitter profile (available available if you've connected your Twitter account to your Vine account).
7. Click or tap **Save changes**.

### Additional tips for updating your profile:

- Photos can be in any of the following formats: JPG, GIF, or PNG. (Twitter does not support animated GIFs for profile or header images.)
- If you're having trouble uploading a photo, check out this [troubleshooting article](#).
