

‘Green carding’ your MP in five steps

On 24 October we will be taking part in a mass lobby of Parliament to call for the school funding crisis to be addressed in the upcoming Autumn Budget.

Any constituent wishing to see their MP without making a prior appointment can go to the central lobby and fill in a green card to request a meeting.

- 1)** Go through the Cromwell Green entrance to parliament and pass through security (allow for this to take up to 20 minutes).
- 2)** Queue up at the information desk in the central lobby and you will need to collect and fill in a “green card.”
- 3)** Hand the green card to the information desk. The information desk will be able to let you know quite quickly if your MP is not at the House of Commons.
- 4)** If your MP is unavailable the fact that you have handed in a green card will mean that your MP will know you have requested a meeting and your MP will have to write to you in due course letting you know their views.
- 5)** If the information desk does manage to contact your MP be prepared to wait for a while.
